1st National Summit on the Standards of Quality for Family Strengthening & Support

October 19-20, 2015
City College of San Francisco Chinatown/North Beach Campus
628 Washington Street | San Francisco, CA

GOALS
• Focus attention at the national, state, and city levels on the value of the Standards and quality practice with families
• Provide unique opportunities for peer sharing on effective Standards implementation at the various levels of responsibility—funders, network leaders, programs
• Provide opportunities for those with shared interests to learn about each other’s work and network
• Energize and motivate all stakeholders to continue this groundbreaking work
