The North Carolina Family Resource Center Network seeks to connect Family Resource Centers (FRCs) from across the state to both increase investments and promote best practices in family support services through advocacy and collaboration. Organizations meeting the definition of a Family Resource Center (FRC) can join as an FRC Member. Other Family Serving Organizations interested in joining the NC FRC Network or interested in becoming a Family Resource Center (FRC) can join as a Developing FRC.

### At a Glance

- Year founded: 2022
- Year joined NFSN: 2022
- The Network opened Membership: March 2023
- Currently 82 Family Resource Centers across 62 counties in NC FRC Network
- The Network offers Trainings, Peer to Peer Collaboration, and Responsive TA
- Network type: Nonprofit-Coordinated
- Funding sources:
  - Federal Community-Based Child Abuse Prevention (CBCAP)

### Highlights

The NC FRC Network offers:

- Unique group-based professional development opportunities (webinars and virtual trainings)
- Relevant information, resources, and best practices
- Resource Library and newsletters
- Marketing and communication materials (e.g., recognition on the NC FRC Network webpage and/or membership directory, branded materials, social media toolkits, example messaging)
- Relationship building opportunities with other FRC leaders to promote mutual support and peer sharing
- Advocacy opportunities at the local, state and national level to mobilize around key issues impacting families
- Complimentary organizational membership to Positive Childhood Alliance North Carolina (PCANC) includes discounted tuition to PCANC's biannual Learning & Leadership Summit

### Network Functions

- Increase connectedness, coordination, cooperation, and collaboration amongst members
- Provide training and technical assistance
- Work on systems change, advocacy, and policy
- Marketing/public awareness activities
- Provide Evaluation Support
