The Arizona Family Support Network is overseen and funded by First Things First. It includes 45 Family Resource Centers (FRCs) across the state. These FRCs focus on supporting families with children ages birth through five. All members of the Network adhere to the Standards of Quality for Family Strengthening & Support. Network members are further supported with Standards of Practice and implementation guidance.

ARIZONA

Highlights

- New FRCs and partners are being established as part of a statewide strategic planning process for state fiscal year 2024-2028.
- The Arizona Department of Child Safety, First Things First, and Prevent Child Abuse Arizona have been working together to establish a sustainable, cross-sector, system of support for families through FRCs. They engaged the NFSN to support the planning process.
